

PRESENTATION

WHO WE ARE

- [REDACTED] S.A. was born in 2014, in the city of Ibarra-Ecuador, as an agro-industry initiative committed to the development of Ecuadorian agriculture through the cultivation of millenary seed crops such as quinoa, with high nutritional components, to achieve a strong, healthy and gluten-free diet.
- To achieve this goal, we have been concerned with the installation of state-of-the-art machinery, with an optimal process of quinoa desaponization, along with the elaboration of quinoa flour, which guarantees the best quality of both our grain and processed products to our customers.
- [REDACTED] S.A. is part of the [REDACTED] S.A., the largest exporter of Broccoli in the country, with whom we share the same principles of excellence in our products. .
